Cameron Schools Get Under Way for Term BEER SALES LOOM AS MANY ASK PERMITS IN MILAM COUNTY

MANY APPLY TO SELL BEER IN MILAM CO.

With the end of the dry reign to come at midnight Thursday, September 14 prospects were bright for enforced thirst as applications continued to be filed with County Clerk Homer Nabours, for the sale of beer in Milam county.

These applications will be heard by Judge Jeff T. Kemp Thursday and Friday of this week. It is expected that all applications would be granted. Except for a number of wholesale distributors the applicants will all be retailers.

A tax of \$50 was levied by the county on each dealer, both wholesale and retail. In the city a license of \$50 has been levied on both classes of dealers.

The following is the list of applicants to sell beer in Milam County. Alvin Mondrik, Cameron, retailer.

H. G. and C. E. Ashby, Cameron, retailers.

Cameron Men Foil Highway Bandits

Two Cameron men, Ray Westbrook and C. L. Cohen, who were on their way to Houston several nights ago, escaped a hold-up by refusing to stop when a car parked across the road in front of the truck in which they were riding.

Mr. Westbrook, the driver, saw the car as it turned across the road in front of him, and the two men got out with guns. One of the men tried to wave him down. The distance between the truck and car gave Mr. Westbrook enough time to speed up. He whipped around the parked car, but struck it with the trailer of the truck. The parked car was probably damaged quite a bit, he thought, but he did not stop to see, he said.

Mr. Westbrook and Mr. Cohen had a considerable amount of money with them.

110 BUSINESS FIRMS HERE SIGN NRA CODE

One hundred and ten business men had signed the NRA pledge up to Monday night, it was reported by L. Van Perkins, Colonel No. 1, in charge of the man power division.

Mr. Perkins submitted a list of those who have signed and has set down for the benefit of the committee the information supplied by those bearing on their co-operative effort.

Leaving for Dallas Tuesday Mr. Perkins could not complete his work entirely but the city may be said to have complied substantially with the NRA. In a number of cases Blue Eagles are being displayed with little or no compliance with the code. Some have refused to sign.

The local pay roll was believed to have been increased by more than \$50,000 annually. It is not possible to determine whether increased employment had been brought about by fall business pick up or whether those signing had purposed to keep it up. Much will depend on the co-operation this winter and next spring and summer when the real test of loyalty will be made.

It is not known what steps would be taken regarding those who refuse to sign or those who display the eagle and are not paying the wages in the code or observing the hours.

Miss Ann Stallworth, Lieut. General, had signed up 350 homes involving about one third of the population. The work was to be completed this week.

A series of talks were scheduled for Colonel Jim Baskin, the dates of which will be announced soon.

Date Changed Here On Catholic Celebration

The 50th Anniversary Celebration of Catholics in Cameron parish will be held October 11th instead of October 12th, it was announced this morning.

Bishop Byrne of Galveston, by reason of a previous engagement, could not be in Cameron on October 12th.

A souvenir publication will be issued to commemorate the Golden Anniversary of the parish. Joe Lingle is in charge of this book.

A parade of progress will be staged in the business section on the celebration date. Johnny Andres is in charge of the parade.

Henry Sapp of Galveston spent the week end here with his parents, Mr. and Mrs. Henry Sapp.

PROVISIONS OF HOME LOAN ACT ARE GIVEN

(Editor's Note—Provisions of the Act creating the Home Owners Loan Corporation which is to be administered primarily for homes in cities and towns, are explained as follows by John B. Henderson, appraiser for Milam county)

Cameron, Texas, Sept. 5, 1933.
Mr. J. B. White,
Editor of the Cameron Herald,
Cameron, Texas.

Dear Mr. White:
"I give you herewith such information as I have been able to procure with reference to loans to be made by the Home Owners Loan Corporation.

"This corporation is primarily a relief agency and is not to be considered as a regular lending agency. In order to be eligible a prospective borrower should be delinquent as to payments on loans or taxes or both. An applicant seeking merely to reduce his present interest rate will not be given very much consideration. In order to be eligible, prospective borrowers should be in actual distress or real danger of suffering loss by foreclosure.

The corporation makes two kinds of loans to take up present existing indebtedness:

1. A loan wherein the present lien holder is given bonds of the corporation in exchange for his claim. The (See HOME LOAN on page 4)

YOEMEN TO PLAY UNDER LIGHTS; NIGHT GAMES

It was definitely decided to install lights on the new Yoe High School Athletic Field at a meeting held in the District Court Room Wednesday evening. The plan at present is to sell season tickets to insure initial payments on the lights.

These tickets will be sold to adults for two dollars and will admit the holder to the following games:

September 29, Giddings.
October 13, Hearne.
October 20, Taylor.
October 27, Caldwell.
November 17, Bryan.

The people are urged to purchase tickets early and help to make this first payment possible.

Mr. John Young and Bob Terry were made chairmen of the ticket sales committee.

The Code for Retail Trades

Including Dry Goods, Department Stores, Specialty Shops, Men's Clothing, Furniture, Hardware and Shoes.
(Published for Information of Cameron Merchants)

MAXIMUM HOURS

Time for employees not to exceed 40 hours per week.

Executives who receive over \$35 per week, registered pharmacists or other professional persons, outside salesmen, outside deliverymen and maintenance employees, may be employed 48 hours per week or more if their employers pay them time and one third for each hour over 48 hours they work.

Employees under the 40 hour week may be worked longer at Christmas time, inventory and other peak periods, but in no case may an employer work these employees more than 48 hours per week in any three weeks within each six months. Thus, three weeks are allowed in each 6 months whereby an employer may take advantage of peak periods to work his employees 48 hours.

Store hours are not to be reduced below 52 hours in any one week.

If store was open less than 52 hours prior to July 1, 1933 there must be no reduction in the number of hours kept open. There is no limit placed on the number of hours a store may be kept open.

These code regulations do not apply in business houses of two persons and less in towns of less than 2500 population.

MINIMUM WAGES

In Southern Sections the scale is less. The minimum wage for Cameron is as follows:

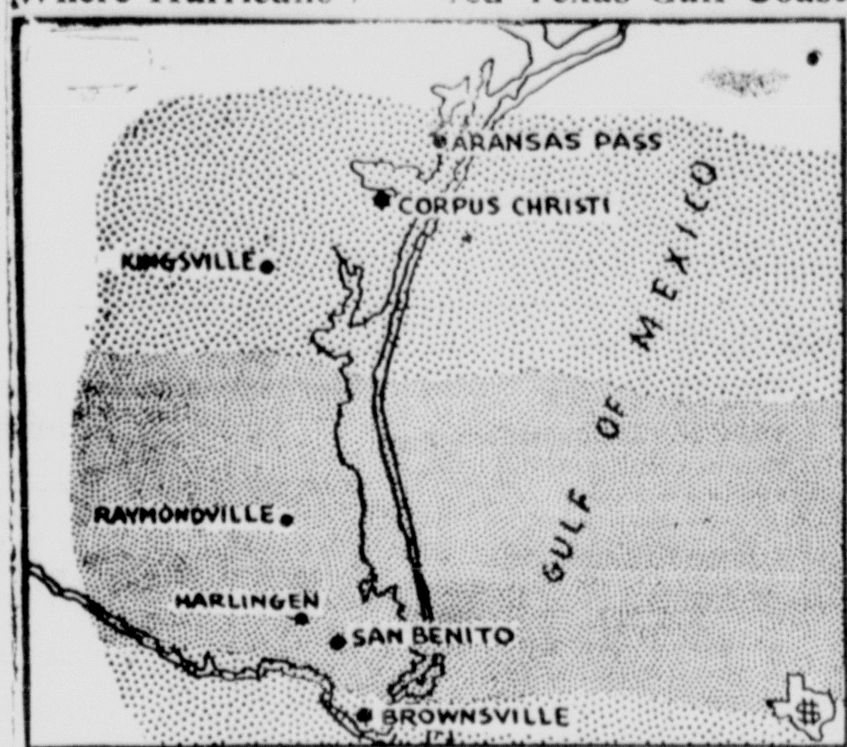

Regular employees of experience \$12 per week.

Junior Employees between 16 and 18 years of age with less than 6 months experience \$11 per week.

Apprentice Employees over 18 years with less than 6 months experience \$11.

The minimum wage in no case shall be less than \$11.

Where Hurricane Rattled Texas Gulf Coast

This map was drawn Tuesday afternoon from scattered reports throughout the lower Texas coast, and shows in a general way where the tropical disturbance is hitting with greatest intensity. Wires were all out south of Kingsville, and it was impossible to get reports of property damage and loss of life. The darker portion shows where the wind was highest, and the lighter parts indicate a blow of lesser degree.

PRESBYTERIAN REVIVAL CLOSES SUNDAY NIGHT

The two week's revival at the Presbyterian church closed Sunday evening with a program, which included a solo by Miss Gladys Gruber of Austin, and a trio composed of Mrs. G. E. Sutton, Miss Patsy McGregor and Mrs. John Watson of Cameron.

Rev. Nelson Hawkins of Taylor was the speaker. There were sixteen additions to the church.

Last Wednesday night, which was family night, Mr. and Mrs. C. W. Lawrence received a small book of "Consolations for each day of the Year," presented to them for being the oldest married couple present. They have been married 38 years.

Mrs. N. H. Butts received a pretty pot plant for being a church member the longest, being a member for 50 years. The largest family present was that of Mr. and Mrs. C. C. Baylor, and they received a yearbook of prayers called "God's Minutes."

Mr. and Mrs. P. B. Weishuhn of Houston spent the week end and Labor Day here with her sister, Mrs. Henry Patillo.

Baptist Revival Begins Sunday

Revival services will begin next Sunday morning at the Baptist church. Rev. W. Y. Pond, State Evangelist, will be the preacher and R. N. Duckworth, music director of the first Baptist church will have charge of the music. Baptists feel fortunate in securing Evangelist Pond, for he is a man of wide acquaintance and experience. He does not appeal to the spectacular or the ornate form of religion, but is fearless, forceful and friendly, and believes in the sanctity and purity of New Testament Evangelism.

This protracted meeting will run for two weeks. The morning services will be held at 9:30 a. m. The evening services will begin at 7:30 p. m., and will be held on the church lawn, weather permitting. One of the capital features of the meeting will be the Booster's Choir, composed of young folks. Undoubtedly, the music in this revival will be the peer of any we have ever had.

The public is cordially invited to attend these services. We all recognize that there are times when the spiritual fires of our nature run low and need the revitalizing spark of a fresh experience with God. Maybe this meeting will prove such a tonic for your spirit. At any rate come and be a participant in the services. Remember, NEXT SUNDAY.

City Tax Levied For Revenue From Sales of Beer In Cameron

A tax of \$50 for retailers and wholesalers in beer in the city of Cameron has been levied by an ordinance passed by the Council at its meeting this week.

This tax will be collected annually from these dealers and is permitted to be collected for revenue, much needed, under terms of the beer amendment voted by Texas.

Mayor Chas. C. Smith said the tax was levied in the same amount as levied by the county. No difference was made between retailers and wholesalers. Up to Wednesday night 12 retailers had made application with 6 wholesale dealers. The total involved would be \$900.

Right of Way Sought On Road Number 36

Easements are now being sought for additional right of way on Highway No. 36 from Milano to the Burleson county line, it was announced at the Monday night meeting of the Chamber of Commerce.

Lesser Newton of Milano is assisting the club in securing these contracts. It was believed no trouble would be encountered in getting these contracts signed up, giving the Commissioners Court a choice of two routes.

REGULAR CLASSES ARE HELD ON WEDNESDAY

After spending Monday and Tuesday in registration, distribution of textbooks and other routine matters, regular classes met for the first time Wednesday and school work is now well under way. With a few students yet to enroll the enrollment mark in the high school has gone well beyond the mark for any previous year.

Three new bus lines have been added to the two regular lines already in operation, one coming from Branchville, by way of Maysfield and Walker's Creek another from Clarkson by way of Ben Arnold and Watts Switch while a third from Marlow will begin operation next week.

An unusually large senior class has been registered with 130 names already on the senior roll.

With last year's entire faculty intact the reorganization and classification has gone off with little friction and in unusually short time and class work will be well under way by the end of the first week.

H. C. MEYER APPOINTED ON BOARD OF CONTROL

H. C. Meyer, former mayor of Rockdale and widely known Texas business man, has been appointed a member of the Board of Control to succeed Adrian Pool of El Paso.

Mr. Meyer was named by Governor Ferguson to this important place in the government service last week and he has taken the oath of office and has begun his duties.

It was said Mr. Meyer would not be permitted at this time to exercise any authority as to appointments as all places under the board have been filled.

Mr. Meyer is president of the Chamber of Commerce in Rockdale and has been a civic leader for many years in this section.

FOOTBALL SEASON OPENS HERE SEPTEMBER 29

Yoe High school will open their football season here on the 29th of September with the Giddings High School.

Prospects are good despite the inexperience of the majority of the squad. Several very likely prospects have reported from the rural districts and with the lighted field and whole-hearted co-operation of the general public the Yoemen expect to have a very successful season.

Captain Howard Terry, Trent Newton and Giles Avriett are the only letter men back. It is far too early in the season to pick a starting lineup, but the following men have been showing up well in the early season practice: Branstetter, Gilbert, Gillis, Killen, B. Barrett and J. Barrett, Allen Williams, Mode, Smith, Breeding, Graham, Kirk, Eichenhorst, Blaylock, Evans, Sapp.

Legion Will Honor L. Van Perkins, New State Commander

Honors for L. Van Perkins who has been elected State Commander for the American Legion will be held at the Legion temple here on September 19.

A barbecue will be tendered Mr. Perkins and all his buddies will join in honors with him.

Mr. Perkins is in Dallas this week working with the board of review on veterans claims. Other committeemen are W. C. Minton of Dallas and Scott Reid of Groesbeck.

Mrs. Joe Denson and Mrs. Roy Law spent Thursday last week in Temple. They were accompanied by Mrs. Watt Skinner of Rogers, and little Marjorie Ann Denson who spent last week with Mrs. Skinner.

Where Bailey Sawed His Way Out of Dallas County Jail

Harvey Bailey, notorious kidnaper of C. F. Urschel, threw police circles throughout the nation into a scare Monday, when he sawed his way out of his sixth-floor cell in the Dallas county jail swept through several locked gates and to the ground level without opposition and made good a single handed escape. In the picture Deputy Jailer Morrow points to the hole where Bailey sawed through. The ex-convict made his way to Ardmore, Oklahoma, taking Deputy Jailer Nick Treas with him. There he was captured by Hale Dunn, chief of police.

Common Floors Transformed By Simple Home Mixture; Process Is Explained

"I had common old floors when I began the improvement of my bedroom," says Mrs. R. B. Self, bedroom demonstrator for the Gause Demonstration Club, as she cites improvement made in her bedroom at the regular meeting of the Gause Club September 4.

"I mixed 1 quart of lub (linseed oil is better) with 2 quarts of gasoline for the floor finish. When desired the floor may be stained by using walnut water; that is, water from which walnuts have been boiled. With the floor dry and perfectly clean, the oil and gasoline mixture was put on by the use of a mop. We just couldn't wax this year and my floors are so pretty," says Mrs. Self.

Aside from finishing her floor, Mrs. Self has made drapes for the windows, papered the bedroom, built a closet with adequate shelf and hanging space, replenished her linen supply of sheets and pillow cases, made four mattress protectors and since the demonstration on hooked rugs in July she has started a rug for the bedroom.

A well planned and arranged plan-

try will also be open for visitors to see at the home of Mrs. Self October 3, club achievement day.

Yard Improvement Demonstration Will Be Held In City

Yard Improvement Demonstrations in Milam County are being visited September 5 and 6 by Miss Onah Jacks, extension specialist in landscape gardening.

Miss Jacks commends the work that is being conducted in Milam county.

Plans for a more extensive program are being made during her visit to the county.

This program will allow for preparation for demonstrations in yard work to be given this fall, for the making and use of yard plans and for a study of native materials to be used in the yard plantings.

Mrs. W. C. Shipley and son, Horton, of Waco, have returned to their home after visiting Mrs. S. A. Cottle at the Auditorium Hotel.

Meat Canning Demonstration Here October 20 and 21

Announcement is being made of a beef killing, cutting and canning demonstration to be given in Cameron October 20 and 21. The demonstration is to be conducted by Mr. Roy Snyder, beef specialist from A. & M. College and Miss Lola Blair, extension food specialist.

The first afternoon will be devoted to the killing and dressing of the beef. The second day will be devoted to cutting and canning demonstrations.

Representatives from each of the 12 Home Demonstration Clubs will attend as well as a large number of farm and town people who are interested in meat preservation.

MARRY IN CAMERON

Miss Myrtle Wallace and Francis E. Milam of Waco, were united in marriage in this city Friday at the Methodist parsonage, with Rev. J. E. Buttrill performing the ceremony.

A. F. Mitchell of Corsicana was a Cameron visitor Thursday of last week.

Patriarch

Here is Thomas J. Wilmoth, the oldest of 138 Confederate soldiers who remain in the Texas Confederate home in Austin. On October 14 he will be 102 years old. Wilmoth served in the forces of Mississippi.

MRS. MARY PATILLO

Funeral services for Mrs. Mary Patillo (nee Mary Weise) were held at the Methodist church, of which she was a member, by the pastor, Rev. Daly at 4 o'clock Monday afternoon.

Mrs. Patillo was born December 10, 1863 at String Prairie, was married to G. H. Patillo in 1881. To this union were born eight children, Lem A., deceased, Mrs. Annie Westerman of Temple, Dave Patillo of Placedo, Mrs. Cora Garlisch of Buckholts, Mrs. Susie Collier of Placedo, Oscar

Leonard Patillo of Buckholts. She was converted and joined the Methodist church at 12 years of age, at String Prairie. Her husband preceded her to the great beyond on Oct. 24th, 1902. Lem died April 11th, 1932.

Surviving her are seven children, two sisters, Mrs. S. M. Kemp, Temple and Mrs. Tom Check, Glen Rose, a brother Charley Weise, Rosebud, nineteen grandchildren and one great grand child, all of whom were present for the funeral except Mrs. Check. Interment was made in the Lilac cemetery with Coleman undertakers in charge.

Active pall bearers were Alex Groppell, Feister Scarborough, Buford McMillon, J. P. Skinner, I. C. Lawson and Cecil Criswell. Honorary pall bearers were J. R. Slovacek, Albert Zajicek, Joe Raska, E. J. Kahler and Hardy Scarborough.

A large crowd was in attendance at both church and cemetery and floral offerings were many and beautiful.

Sympathy is extended to the bereaved relatives and friends of the departed.

Take a Pinch of BLACK-DRAUGHT For Distress After Meals

He had suffered distress after meals, but by taking Thedford's Black-Draught he was relieved of this trouble, writes Mr. Jess Higgins, of Dawsonville, Ga.

"I had sour stomach and gas," Mr. Higgins explains, "and often I would have bilious spells. I read about Thedford's Black-Draught and began to take it. It relieved me of this trouble. I keep it all the time now. I consider it a fine medicine. I take a pinch of Black-Draught after meals when I need it. It helps to prevent sick headache and to keep the system in good order."

Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

Massive Celebration For NRA In Dallas Saturday Night

DALLAS—Texas cities and towns have been urgently invited to send large delegations to the Southwestern NRA Victory Jubilee which is to be held in Dallas next Saturday night at the large Fair Park stadium. Bands from a number of towns have already signified their intention of coming to take part in the big downtown parade at 4 o'clock and at the stadium program.

John W. Carpenter, chairman of the cities and towns committee, has sent out invitations to more than 300 Texas cities and towns through chairmen who have been appointed not only to arrange for delegations but to serve "as long as there is any need for co-operation."

More than 60,000 persons are expected to tax the capacity of the large stadium. A large speakers stand is being constructed on which prominent men and women in NRA work in this section will be invited to sit. Special loud speakers to amplify the voices of the speakers to all parts of the stadium.

The committee is working up an elaborate program which will include speakers nationally prominent in NRA work.

"We feel that the heroic and patriotic efforts of President Roosevelt should have the united support of all the people of the Southwest," says R. L. Thornton of the Dallas Chamber of Commerce. "This is to be exemplified in a great patriotic outpouring of the people, with all the towns of this section of Texas invited to join in and bring their bands to take part in the biggest peacetime effort of all our history."

Home Loan

(Continued from page 1)

interest rate of this loan is 5 per cent and the lien holder is paid 4 per cent interest on his bonds. The interest on these bonds is guaranteed by the United States government and the assets of the corporation stands as security for the principal of the bonds. As much as 80 per cent value can be loaned on this plan.

2. A loan where cash is advanced to pay off present lien holders. This loan bears an interest rate of 6 per cent per annum and can be made up to 40 per cent of the present appraised value of the property. The chief appraiser explained that there will likely be very few if any loans made under the cash plan, so it is much better for the applicants to apply under the bond plan and secure the consent of the lien holder to take the bonds in exchange for their claims.

"Applicants will probably want to know something of the basis of appraisements. Appraisements are made upon the consideration of three factors as follows:

- Cost of the lot plus cost of erection of improvements.
- Rental value compounded over a period of years.
- Present replacement costs of

both lot and improvements.

"These three items are averaged and the average is the value upon which the loan is based. No preliminary appraisals can be made and the property cannot be appraised at all until after application is made and the corporation sends the appraiser a written request for appraisal. "The prospective borrowers are also interested in knowing something about the cost of securing these loans. Borrowers are to pay the following costs: Abstracting charges, recording fees, appraisal fees, attorneys examination fees and any fees necessary to cure any defect in the title.

"Delinquent taxes can and will be paid by the corporation in cases where the taxes and any other indebtedness do not exceed the amount that the corporation can lend after appraisal.

"We enclose herewith an application blank and a blank consent to take the bonds of the corporation. These blanks are available at the office of the Milam County Abstract Company in Cameron and such further information as may be necessary can be had at that office.

"You may re-write this data and publish it in your paper as you see fit.

Very truly yours,

UNTIL WE LEARNED BETTER

Until we learned better, we used to mix wood and steel in our car bodies and wheels.

It was the best way to make bodies—then. But the state of the art has advanced.

Of course, it is more expensive to make an all-steel body than to make a wooden frame and nail steel panels on to it. The better way involves an initial expenditure of several millions of dollars for new dies, which renders a change very costly. Cars, especially large expensive cars which are produced in small volume, cannot afford this, because the dies cost as much for one car as for a million. That alone explains why all-steel bodies are not used in all cars.

But our basic policy from the beginning is to make a good car better, regardless of cost.

For example, when we discarded wood-steel body construction, it was not because we lacked wood. We still have some thousands of acres of the best hard wood in America. Economy would urge us to use up the wood first, and then adopt the better all-steel body. But we decided that quality was more important than expense.

We weighed the reasons, for and against, before we made the change. We could see only one reason for retaining a mixed wood-and-steel body—nailing the metal on, instead of welding an all-steel body into a strong one-piece whole. That reason was, it would be cheaper—for us.

Our reasons for adopting an all-steel body were these: A wood-steel body is not much stronger structurally than its wooden frame. In all American climates, wood construction weakens with age. Every used car lot gives evidence of this. Rain seeps in between joints and the wood decays. A car may have a metal surface, and yet not be of steel construction. Under extreme shock or stress the steel body remains intact—dented perhaps, but not crushed.

Steel does not need wood for strength or protection. Wood is fine for furniture, but not for the high speed vehicles of 1933.

In the Ford body there are no joints to squeak, no seams to crack or leak.

The all-steel body is more expensive—to us, but not to you.

By all odds, then, steel bodies seem preferable.

Wheels also have become all-steel. No one argues that an electrically welded one-piece steel wheel, such as the Ford wheel, needs to be "strengthened" by adding wood to it.

The one-piece all-steel body is the strongest, safest, quietest, most durable body made. That is our only reason for making them.

Resenting Failure To Get Job Czech Leader Quits Places With Ferguson

F. W. Chudej, formerly of this community, has resigned all of his connections with Ferguson enterprises, according to an announcement he has made in Austin. The break came on August 19.

Mr. Chudej, who has long been one of the most enthusiastic workers for Jim Ferguson, had been business agent for Mr. Ferguson for eight years, president of the Ferguson Forum, treasurer of the Quality Stock Farm, another Ferguson enterprise.

In Mrs. Ferguson's first administration Mr. Chudej was appointed a member of the state textbook board.

He severed his connections with Mr. Ferguson after he had failed to receive consideration for the appointment to the vacancy on the state board of control, filled last week by the appointment of Henry C. Meyer of Rockdale.

Mr. Chudej has sent a telegram of congratulations to Mr. Meyer, in which he is said to have pointed out that two Ferguson appointments

were given Germans "who had quit Ferguson 50 per cent," while the Czechs who supported Mrs. Ferguson one hundred thousand strong like a stone wall" had been given no recognition.

He referred to the appointment of Mr. Meyer and C. G. Krueger of Bellville to the criminal appeals court commission.

Mr. Chudej is reported to have taken a place as district organizer for the old Texas Beer Association, which has been revived.—Temple Telegram.

These Little Pigs Go to Market

Here are a few of the thousands of little pigs that are headed for slaughter in the Fort Worth stockyards. The governmental plan to kill 5,000,000 little pigs and sows about to farrow was inaugurated to reduce the pork surplus, feed the hungry, and raise pork prices. Below is a scene in the wagon yard of the Fort Worth stock yards, showing trailers and wagons in which the sows and pigs are coming to market.

NEW SOUND SYSTEM FEATURES NEW THEATRE

With the showing of "Morning Glory," as the opening vehicle, Mr. Swift of the Cameron Theatre, announces the public dedication and operation of the revolutionary new "High Fidelity" sound reproducing system which has been installed by RCA Victor Company.

Working in the early hours of the morning so as not to interfere with the regular showings, sound technicians from the great laboratories of the RCA Victor Company at Camden, New Jersey, have installed and tested the New High Fidelity System and reported it ready. A new giant loudspeaker, capable of reproducing the entire range of audible frequencies with the utmost fidelity, has been installed behind the porous screen from which the sound emanates, and with the new sound-head and high quality amplification system in the projection booth, the stage is set for presenting the greatest advance in theatre sound since the advent of talking movies.

Technical progress in the sound motion picture art has been so rapid and far-reaching since the time, four years ago, when speech and music were added to the moving image on the screen, that sound reproducing systems of the earlier days are now hopelessly inadequate in recreating the finely recorded pictures of the present day. Whereas previous systems have been able to reproduce tones as low as 100 cycles and as high as 6,000 cycles at the very best, the new RCA Victor equipment can faithfully reproduce tones as low as 60 cycles and as high as 10,000 cycles. The range of volume too has been improved so that the merest whisper of the wind in the grass or the great crescendo of a symphony orchestra may be reproduced with equal fidelity.

The development of the new High Fidelity system comes as the culmination of years of persistent research and experiment by a group of engineers with a background of more than thirty years of acoustical experience. It was this same group of engineers that was responsible for the most major advances in radio broadcasting and marine and transoceanic communications.

With the installation of this remarkable new RCA Victor High Fidelity apparatus in the Cameron Theatre, motion picture fans of Cameron will enjoy sound of the same high standard as that in the two finest theatres in the world, the Roxy and International Music Hall of Radio City, in Rockefeller Centre, New York, for the sound systems are practically identical in operation and quality of production.

Side Quit Hurting, Got Stronger, Well; CARDUI Helped Her

WOMEN! Get rid of the handicaps of a weak, debilitated condition with the assistance of Cardui.

Mrs. R. L. West, of Huntsville, Ala., writes: "I was weak and run-down. I had a pain in my side, and I kept losing weight. I grew nervous over my condition—this was unusual for me, for I am very cheerful when I am well and don't easily get nervous. I knew I ought to take something. My aunt told me I ought to try Cardui, which I did. I began to feel better. I kept it up until I had taken three or four bottles. My side quit hurting and I was soon feeling strong and well."

Cardui is sold at drug stores here.

Taken For Ride

Here is Nick Tresp, deputy jailer, who was kidnaped by Harvey Bailey in his sensational escape from the Dallas county jail. "Just 135 miles," Bailey told him, "and then you will be freed unharmed." Bailey was recaptured at Ardmore, 115 miles from Dallas. The end of the 135 miles Bailey spoke of would be approximately Davis, Oklahoma, or the Arbuckle mountains, where officers now search for the possible rendezvous of Bailey and George Kelly. Tresp is pictured in Ardmore after his rescue.

Former Pastor Here Dies In Rosebud At Age of 75 Years

ROSEBUD—James Nelson Hudson, age 75, died at the home of his son, W. J. Hudson, Friday, after a brief illness.

Funeral services were held Saturday afternoon at 2 o'clock, at Powers Chapel church, with Rev. A. A. Watts of Bremond officiating, assisted by Rev. W. R. Blackman of Mexia, Texas. Interment was in Powers Chapel cemetery, on the family burial plot.

He is survived by five sons, Daniel L., David H., and E. N. Hudson of Houston; J. B. Hudson of Orange, and W. J. Hudson of Rosebud; three daughters, Mrs. Herman Rothe of Rosebud, Mrs. L. C. Evans of Abilene, and Mrs. W. R. Birkes of Rosebud; one brother, W. H. Hudson of Houston; and one sister, Mrs. V. V. Ashworth of Baytown. Seventy-five grandchildren also survive him.

Mr. Hudson was a Primitive Baptist minister, and had been preaching for 50 years. He was born in Alabama, and came to Texas 45 years ago, settling in Cameron.

W. D. Bigbee who is working in Corsicana, was a week end visitor with his family.

Shivering with Chills Burning with Fever

Sure Relief for Malaria!

Don't try homemade treatment, newfangled remedies! Take that good old Grove's Tasteless Chill Tonic. Soon you will be yourself again, for Grove's Tasteless Chill Tonic not only relieves the symptoms of Malaria, but destroys the infection itself.

The tasteless quinine in Grove's Tasteless Chill Tonic kills the Malarial infection in the blood while the iron it contains builds up the blood to overcome the effects of the disease and fortify against further attack. The twofold effect is absolutely necessary to the overcoming of Malaria. Besides being a dependable remedy for Malaria, Grove's Tasteless Chill Tonic is also an excellent tonic of general use. Pleasant to take and absolutely harmless. Safe to give children. Get a bottle today at any store.

SOCIETY

Miss Geraldine Slaughter Becomes Bride of William B. Franklin In Methodist Church Wedding Here Wednesday, September Sixth

An event on the social calendar of interest to the social set in Cameron and other cities was solemnized at the First Methodist Church Wednesday, September sixth at high noon when Miss Geraldine Slaughter, only daughter of Mr. and Mrs. D. H. Slaughter, became the bride of Mr. William Balfour Franklin, of Austin, Rev. J. E. Buttrill, pastor, reading the impressive ring service, the couple kneeling on a white satin pillow at the chancel for the benediction.

A pink and green color scheme fashioned an attractive altar scene where pink roses, pink zenias and graceful trailing queenswreath were combined with potted plants. The chancel pillows on either side of the altar were twined with ivy. Tiny pink zenias in green bowls rested at intervals down the chancel rail, while tall pedestal baskets held jardinières of plumosa and lace ferns, stood at side of altar.

Robert Smith gave an arrangement of bridal selections and played Cantilene Nuptial by Dubois. As the notes of the music swelled for the bridal song, Miss Dora Emily Moore dressed in pink crepe, wearing a shoulder bouquet, with hat and shoes to match the handsome taffeta dress, sang "Ah, Sweet Mystery of Life" by Victor Hubart. The notes of the music merged into Logengrin's wedding march announcing the approach of the wedding party. He played softly during the ceremony, "I Love You Truly."

The ushers, William Slaughter, brother of the bride and Graham Shock, of Edinburg, led the party, taking their place at the altar. The minister, bridegroom and best man, Joe Franklin, brother of the bridegroom, entered from the pastor's study, dressed in conventional black, wearing white rosebuds on coat lapel, stood in front of the altar and waited for the bridal party.

The bridesmaid, Miss Euline Slaughter, cousin of the bride, was attractively dressed in light blue

taffeta in princess style, wearing a small hat and gloves in matching shade and material came first and carried a bouquet of yellow talisman roses tied with pink tulle.

Next came the matron, Mrs. Odell Jameson of Moody, a cousin of the bride, dressed in lavender taffeta in princess design and wore hat, shoes and gloves of same shade and material and carried a bouquet of pink rosebuds tied with pink tulle.

The matron of honor, Mrs. Harold C. Wray of Wichita Falls, who was a roommate of the bride at State University for three years, was dressed in pink taffeta in princess style, with accessories of same shade and material, carried a bouquet of pink rosebuds, tulle tied in green.

Miss Annamary Davis of Alvin, a schoolmate of the bride, was maid of honor and was costumed in light green taffeta, princess mode, with hat, gloves and shoes in matching color and material, came up the aisle and carried a bouquet of pink roses tied with green tulle.

The charming little flower girl was Marjorie Ann Denson, daughter of Mr. and Mrs. Joe Denson, dressed in a dainty pink fluffy ruffle dress, preceded the bride dropping rose petals from a pretty wrist basket.

The bride entered on the arm of her father who gave her in marriage, was charming in a white satin princess gown, demi-train with tulle veil attached to a small brim white satin hat caught with real orange blossoms, and flowed to end of train. Her bouquet was of white bride rosebuds showered with valley lilies. She was met at the altar by the bridegroom where they plighted their vows.

Mendelssohn's wedding march pealed forth as the recession the bridal party leaving for the bride's home where an informal reception and wedding breakfast was given the party. Covers were laid for 12 at the table with linens, gleaming

silver and wares; a beautiful bride's cake, a large double heart design, embossed in bride roses and lilies of the valley, containing the usual symbols rested in the center of the table; tall pink burning tapers in crystal holders stood at either end of the board and shed a mellow light over the scene. Place cards were tiny wedding bells suspended from double hearts tied with small bunches of forget-me-nots. A two course breakfast carried out the color scheme of pink and white. Flowers in chosen shades added beauty to the table and rooms of the home.

The bride is the only daughter of Mr. and Mrs. Slaughter. After finishing high school here was an honor graduate of Texas University the past June, receiving her B. A. degree, was one of the 27 students among 800 graduates to receive high honor. She was a member of the Morton Board, an honorary Senior organization with membership limited to 15 members; belonged to the Si Sigma Delta Pi, an honorary Spanish fraternity; accompanist for the girls glee club for two years, also accompanist for the University Light Opera Company the last year. She is a member of the Nu Upsilon Tau Tau, membership based on scholarship and was a member of the Sidney Lanier Literary Society and a member of the Cap and Gown Council of the Senior Class. She chose as her going away suit a navy blue faille crepe swagger ensemble with accessories to match with a touch of pink with small pink corsage.

The groom is an instructor of chemistry at State University. Enrolled in the graduating school as a candidate for the degree of Philosophy and is doing finishing work on his Doctors thesis, and belongs to the Tau Beta Pi, honorary fraternity in the engineering course, and is a member of the Phi Lambda Upsilon, an honorary chemical society.

Mr. and Mrs. Franklin left for Natchez, Mississippi, his old home, for a short visit and will be home in Austin where they will live.

Out of town people to attend the wedding were: Mr. and Mrs. J. L. Franklin, parents of the groom, J. L. Franklin, Jr., Dr. and Mrs. Schock of Austin, Graham Short of Edinburg, Mr. and Mrs. Harold C. Wray of Wichita Falls, Miss Annamary Davis of Alvin, Mrs. Elizabeth Weaver of Hearne, Mr. and Mrs. H. G. Self of Branchville, Mr. and Mrs. L. T. Self of Hearne.

The mother of the groom was dressed in navy blue with black accessories.

Mother of the bride wore a pink faille dress with black accessories.

BRIDGE FOR BRIDE

Miss Geraldine Slaughter, bride of this week, was recipient of honors at a morning bridge party and shower given by Miss Dora Emily Moore.

Queenswreath was artistically used throughout the rooms where bridge games engaged the group for a short while. Miss Harriett Flinn captured high score and consolation went to Miss Helen Blaylock, who received a lovely hand painted salt and pepper shaker and curtain pulls, respectively which were presented to the honoree.

Closing the games refreshments were served on large trays decorated with the chosen flowers. A pink and blue combination of colors lent attraction to the party plates centered with miniature bridesmaids dressed in fluffy costumes.

Others present beside the honoree were Misses Helen Blaylock, Mary Belle Batte, Dinks Baskin, Harriett Flinn, Gladys Davis, Inez Evans and her house guests Misses Zinn Brooks of Temple and Lillian Mondrik.

MUSICAL PROGRAM

The musical concert given by Mrs. Leo Wilkerson Friday evening at Yoe High school auditorium was a success in every way.

The stage was beautifully decorated depicting foreign countries, opening with a Japanese scene where the pupils and those assisting wore imported costumes. Japanese lanterns, parasols and fans made a realistic scene. A Japanese landscape added beauty to the scene. Misses Dora Emily Moore and Inez Evans in Japanese costume sang "The Japanese Sand Man."

A French scene followed with appropriate setting featuring a French flower garden with music in keeping.

A Spanish and Gypsy scene was next with a Gypsy camp and tripod and camp fire, where small children were in costume, making a realistic picture. Miss Inez Evans, in costume sang a Gypsy love song, accompanied on the piano by Mrs. Wilkerson, and Misses Zora Clark Wilkerson and Frances Hobson on the violin.

The last scene was American representing a colonial flower garden where the piano pupils of Mrs. Wilkerson were dressed as garden flowers and colonial girls.

For intermission tiny tots appeared in fancy dresses and danced. Myra Winfield, Anita Zidell, Rosemary Bennet, Harriett Moore and Madeline Zidell proved attractions. Miss Foldyne Rylander gave two humorous readings.

Mrs. Wilkerson showed splendid talent and ability in her work and provided one of the most pleasing entertainments for music lovers of the season.

AFTERNOON BRIDGE

Miss Lillian Mondrik was hostess to a bridge party Wednesday afternoon at 4 o'clock at her home in West Cameron, honoring Miss Geraldine Slaughter, a bride of this week.

A pink and green color scheme was carried out with graceful trailing bridalwreaths, ferns and evergreens. Tally pads and score cards were in tiny bride design with wedding bells.

Miss Dora Emily Moore was winner of high score and received a vase, while consolation fell to Miss

Inez Evans, a linen handkerchief. The honoree was presented with an ebony china tea pot.

Assisted by Mrs. A. J. Mondrik, the hostess served a salad course with ice tea on large bamboo trays. Green dishes emphasized the color scheme and small bowls filled with chosen flowers lent floral beauty.

Mrs. D. H. Slaughter, mother of the honoree, and Mrs. Odell Jamison arrived for the social hour.

WEDNESDAY BRIDGE

Mrs. Adolph Winfield was hostess to a bridge party Wednesday of last week at her home entertaining with two tables of bridge. Fall roses and zenias lent floral charm, in baskets and vases.

High score was made by Mrs. S. Lynn of Rosebud, who received a pretty gift. Miss Ann Winfield made low and was presented with a box of handkerchiefs.

At the close of the games the hostess, assisted by Misses Kathleen Kreisman and Irene Leiman, served ice cream and cake.

Those present were: Mrs. J. C. Culpepper, Mrs. Hilton Culpepper, Miss Rose Rischer, Mrs. Bennie Winfield, Mrs. S. Kestenbaum, Mrs. Sidney Lynn, Mrs. T. S. Henderson and Mrs. Harvey Dobbins came in for the social hour.
